Re: *Jamiel v. Maison Kayser@usa.com et al.*, Case No. 19-cv-1389 (GBD) (SDA)
Status of Discovery

Dear Judge Aaron:

We represent Defendants in the above-referenced matter. In accordance with the Court's June 1, 2020 Order (Docket No. 104), we write to provide the Court with an update on the status of discovery between the parties.

Plaintiff has yet to produce his responses to our First Request for Production of Documents, which the Court ordered to be produced by April 9, 2020, even after Defendants contacted Plaintiff two additional times since June 1, 2020 to request this information. (See Docket No. 83).

In addition, Defendants contacted Plaintiff requesting that he either provide his availability for his deposition before August 3, 2020—the current discovery deadline—or provide his soonest availability (if he could not be available before this current discovery deadline). Defendants have yet to receive any response from Plaintiff.

Defendants will continue their due diligence to contact Plaintiff in the hopes that the parties can move this matter forward during the current discovery period. However, we would appreciate the Court's assistance in encouraging Mr. Jamiel to respond to our communications.

We thank the Court for its time in addressing this matter.

Respectfully submitted,

Christine L. Hogan
